PRODUCT DESCRIPTION

Bemis 63A 3P IP44 CEE Panel-Mounted Socket (BC1-4303-2413) is a CEE (IEC 60309 type) panel-mounted socket-outlet fixed to enclosures, machines or equipment. With 63A rated current and 2 poles + earth (3-pin) contact arrangement, it is rated 110V-150V / 50Hz - 60Hz for 110 V systems. IP44 protects against solid objects larger than 1 mm and against water splashing from any direction. Housing material is Polyamide 6 and contacts are MS 58 (brass). The 4h clock position shows where the earth contact sits relative to the keyway and prevents plugs and sockets of different voltage or frequency systems from mating.
