PRODUCT DESCRIPTION

Bemis 125A 4P IP67 CEE Plug (with Pilot Contact) (BC3-6504-7011) is a CEE (IEC 60309 type) portable plug fitted to a flexible cable and inserted into a socket-outlet or connector. With 125A rated current and 3 phases + earth (4-pin) contact arrangement, it is rated 380V-450V / 50Hz - 60Hz for three-phase systems. IP67 is fully dust-tight and withstands temporary immersion in water. Housing material is Polyamide 6 and contacts are MS 58 (brass). The 6h clock position shows where the earth contact sits relative to the keyway and prevents plugs and sockets of different voltage or frequency systems from mating. This version includes a pilot contact.
